

Taskforce Document & Meeting Requests

Document Requests:

No.	Item	Status
1.	Payday loans: Does Supervision have data on payday lenders engaging in abusive or harassing collection practices?	Ashlie Tarpley to obtain.
2.	Student loans: What is the student's rate of return on student loans (i.e., how much does the student benefit in the long-term by investing in the student's own education)?	This appears to be a recommendation for future research that the Taskforce may suggest.
3.	Did the Bureau issue a statement articulating its approach to Enforcement remedies during the Acting Director or Director Kraninger periods?	DHH: I looked but did not find any official Bureau statement on Enforcement remedies. TF may have been thinking of Director's speeches.
4.	Financial Education: Can we get data about the numbers of visitors to the various Ask CFPB webpages and how those totals vary over time?	NJW: Material from Gene Koo shared on 4/10
5.	Financial Education: Can we get copies of the Bureau's public or private research papers regarding the meaning of financial well-being? (Tom)	NJW: Material from Janneke Ratcliffe shared on 4/10
6.	Financial Education: Office of Research has some research into the increasing age of financial development.	NJW: I believe Janneke may have been referencing the "Lynch Financial Literacy Financial Education" study. <u>This is available in the research folder</u>
7.	Format of citations for the report. [Template for Bureau reports does not have citation format.]	The Bureau follows the format put forth in <i>The Bluebook, A Uniform System of Citation</i> . Access to digital or hard copies of the Bluebook have been requested.
8.	Interagency Statement on Use of Alternative Data	Done. [DHH sent on 3/12/20]
9.	Administration's Guidance on use of Artificial Data	Done. [DHH sent on 3/11/20]
10.	Bureau's Principles of Data Aggregation	Done. [DHH sent on 3/11/20]
11.	House FCRA legislation on using alternate data	Done. [DHH sent on 3/19/20]
