

Document requests:

Item	Status
Payday loans: Does Supervision have data on payday lenders engaging in abusive or harassing collection practices?	Ashlie Tarpley to obtain.
Student loans: What is the student's rate of return on student loans (i.e., how much does the student benefit in the long-term by investing in the student's own education).	This seems like a recommendation for future research that the Taskforce may suggest.
Did the Bureau issue a statement articulating its approach to Enforcement remedies during the AD or Kraninger periods?	DHH: I looked but did not find any official Bureau statement on Enforcement remedies. TF may have been thinking of Kraninger's speeches.
Financial Education: Can we get data about the numbers of visitors to the various Ask CFPB webpages and how those totals vary over time.	NJW to obtain from Janneke
Financial Education: Can we get copies of the Bureau's public or private research papers regarding the meaning of financial well-being? (Tom)	NJW to obtain from Janneke
Financial Education: Office of Research has some research into the increasing age of financial development.	NJW: I believe she may have been referencing the "Lynch Financial Literacy Financial Education" study. <u>This is available in the research folder</u>
Format of citations for the report. [Template for Bureau reports does not have citation format.]	The Bureau follows the format put forth in <i>The Bluebook, A Uniform System of Citation</i> . Access to digital or hard copies of the Bluebook have been requested.
