Subject: RFI Call

Hi Jean,

Are you available for a call tomorrow afternoon? I'd like to discuss the RFI you're working to pull together, and share what we think is an aggressive timeline to get RFI responses to the Taskforce.

Below is what we've sketched out:

- February 21: Initial Draft of RFI
- February 24-March 3: TF & Bureau Clearance
- March 5: Director Signature
- March 6-13: OMB Review and Posting
- March 16: OMB posts RFI for public comment
- March 16-April 30: 45 day comment window
- April 30: Response window closes

There are also a few key points I'd like to discuss in the development of the RFI that you will want to note. We've been directed to ensure we do not duplicate questions from the Call for Evidence RFIs (included in your orientation binder) and to ensure the questions in the RFI are targeted and specific.

If helpful, we could possibly tag team this effort—I can draft the introductory framing language (why we are doing this, what the TF is, why we are “only” allowing 45 days for response, etc), and you can focus on getting the questions refined with the other TF members?

Warmest regards,

Nat
