

- **Purpose:** A short meeting between Task Force support staff and relevant staff from the Office of Research to discuss the Bureau's testing of electronic disclosures, potentially requesting a short writeup of Bureau activity and research direction in this space.
- **Where:** Skype/Teams. *(No formal presentation is requested from any participants)*
- **Background:** The Task Force is interested in the world of e-disclosures, especially as they relate to regulatory issues, consumer comprehension, and customer desirability.
- **Request:** Would you please advise who from your teams should be included in the this meeting?
