Hundreds were having problems with Freedom Debt Relief. First, the ones that filed complaints need to know when and how much consumers will be refunded. Secondly, we need to know the amount of money to be refunded. Thirdly, we want to know the guidelines for filing taxes on the amount forgiven from the specific credit cards. THANK YOU.

FINANCING FOR ALMOST NEW AND NEW AUTOMOBILES :

Companies like CHEVROLET are SWITCHING INTEREST RATES QUOTES BY 5% TO 6% higher when CONSUMERS ARE PURCHASING NEW CARS. They are also asking CONSUMERS to LIE about their income and a second job up to 5 to 6 thousand dollars more per year. IS THIS PRACTICE WIDESPREAD ???

RENTAL UNITS In places like Palm Beach County are sending the letters within the 30 days but Deliberately creating a Partial false address as an EXCUSE when confronted about the DEPOSIT. Therefore, the letter is mailed and RETURNED to them... then, they have the PROOF they need to cheat the renters out of hundreds of dollars—even if they filed the letter after the 30 days... Is this practice widespread and CAN SOMETHING BE DONE ABOUT THIS CLEVER PRACTICE ??
